

# AMPERE 2023 Cardiff

## Call for Abstracts

19<sup>th</sup> International Conference on Microwave and High Frequency Applications (AMPERE 2023)

September 11-14 2023, Cardiff UK

High quality submissions will be invited to provide a full article, to be published in the inaugural edition of the new journal from AMPERE, to be launched in 2023.

**Topics are focused on recent Advances in Microwave and HF applications including, but not limited to:**

- Food Processing and Process intensification
- Biomass and waste processing
- Chemistry/biochemistry and processing
- Medical and Biological Applications
- Design of Applicators and Components
- Solid State Technology
- Dielectric and Magnetic Material Properties and Measurements
- Measurements and Metrology
- EM Modelling and Numerical Techniques
- Material interaction
- Industrial Equipment and Scale-up
- Frequency Sources and Power Supply Design
- Energy Production (including renewable energy and chemicals)
- Plasma phenomena and processing
- Terahertz and Millimetre Wave Applications

### Important dates:

Submission of abstracts  
Acceptance notification  
Early bird rate ends  
Registration for authors closes  
First day of conference

March 10<sup>th</sup>  
May 5<sup>th</sup>  
June 2<sup>nd</sup>  
June 30<sup>th</sup>  
September 11<sup>th</sup>

To submit your abstract please visit our webpages at:
